Keep Before the People

THAT THE BANGOR JOURNAL declares that THE WHIGS AND FREE SOILERS THINK ALIKE ON THE NATIONAL ISSUES CONNECTED WITH A CONGRESSIONAL ELECTION.

What Free Soilers think they will vote for Abraham Sanford, who stands upon that platform.

Get Home your Absent Voters!

Many of the Republican voters of Maine are now absent—at work, either in Massachusetts or some other neighboring State.

Let the Republicans of every town MAKE early and EFFECTUAL PROVISION TO GET HOME EVERY ABSENT VOTER.

An Infamous Lie.

The Bangor Democrat and other Buchanan papers are repeating the infamous slander that Col. Fremont is a slaveholder.

IT IS AN ATROCIOUS AND BASE FALSEHOOD, without the shadow of foundation.

COL. FREMONT HAS HIMSELF EXPRESSLY DENIED THAT HE EVER OWNED A SLAVE—and he would not even have one hired to his family.

And yet, the liars and slanderers willfully repeat the falsehood.

Not Quite so Fast, Gentlemen!

The Democracy and Know Nothing State Whigs are rendering with cut throat zeal what they calculate upon as the affection of the leaders of the Republicans in this county. There is not a situation which will assuage the cannibals in the least. There is no hope of pacifying the Senatorial monomaniacs but the matter will be amicably arranged, and more to the liking, strength rather than injury to the cause of Freedom. The popular desire, in the coming election to let them know how heartily in indignant and effectual condemnation of the infamous outrages which have been perpetrated against freedom in Kansas and against free speech in the United States Senate—and also to rebuke the Pierce-ite Democracy and the Buchanan men who have used the name and the power of the democratic party for the overthrow of the Missouri restrictions for the extension of slavery, and to carry out the designs of the slave power. All who mean to sustain the interests of FREE LABOR AGAINST SLAVE LABOR, here designate or unite their voices and their votes against the pro-slavery Democracy. Are they will not permit any mere local issues to arise about men to operate to the injury of the great cause of Freedom. We repeat—the difficulty will be amicably arranged, and steps to bring additional strength to our cause!

Another Letter from California.

We are permitted to publish the following extract of a letter received by the last mail from a gentleman of much ability and political influence, formerly a well known citizen of Maine, but a resident on the Pacific State of California:

SAN FRANCISCO, Aug. 9, 1856

My Dear Sir

The last mail brought us the nominations of the Pittsburgh Convention, and we are joyfully down here. Be this, the glad tidings—We had a great gathering in this town last Saturday evening, and a glorious one it was. Such an one as San Francisco never before witnessed, composed of the leading merchants, the lawyers and respectable professional men of our city. A class of men have come forward to enroll themselves with those who have struggled through Know Nothingism, and who know from experience what it means. Col. Fremont addressed the meeting, and was followed by Gen. Wright, Col. Baker, Judge Hoffman, Judge Norton, Judge Dwinelle, Judge Hall, Judge Heydenfeldt, Judge Sanderson, Judge Shafter, Judge Baldwin, Judge Hepburn, Judge Lake, Judge Wallace, Judge Hall, Judge Crockett, Judge Wilson, Judge Hall, Judge Hall, Judge Hall

To the Sick and afflicted!

...DR. & MRS. GEORGE LAMONT, ...THE celebrated Physician for diseases of the Throat, Lungs, Heart and all diseases of the Blood, from 378 Broadway, N. Y., late of London, member of the reformed Medical College, New York, and the first who advocated inhalations for diseases of the Lungs, treat all diseases of the Chest, by the inhalation of Hot Medical Vapors with a success unknown to the physicians of this country, invite the attention of the sick and afflicted, laboring under the various forms of disease, such as Coughs, Ulcerated or Tuberculous Lungs, spitting of blood, pain in the chest, sides and back, sore throat, bleeding lungs, chronic catarrh, night sweats, nervous complaints, constipation or dropsy of the heart, dyspepsia, liver complaint, chronic diarrhœa, and all female complaints such as prolapsus uteri or falling of the womb, and all uterine complaints, such as cancers, tumors, enlargements, suppression of the menses, excessive menstruation, leucorrhœa or whites, scrofulous affections, spinal deformities, grave, and poisonous humor affections, and all diseases of the blood.

Mrs. D. Lamont is the only lady gifted with the power of telling disease at sight, by looking into the eye, without the patient saying a word to her. She can tell them how they are affected in every particular, and prescribe for their immediate relief and permanent cure of their complaints. They can be consulted for a short time, free of charge, at the

HATCH HOUSE, Bangor, Room No. 3,

...and those who are not able to call, by sending a card or address, they will call and give advice; and as their stay will be short in the place, immediate attention to this card will be required to ensure success.

Their terms for medicine are very moderate in all cases and the invalid may depend on finding speedy relief by calling immediately on Dr. and Mrs. Lamont, as their stay will be short in this place.

Please show this to your friends. It might be the means of saving a valuable life.
